A D Bm
The sun rises in the east

A D
Then it sets in my heart

Goodbye my love

A D Bm
I told myself I loved you

A D
And again my heart it shivers

A
And I know

A D
Help me believe my son
A D
That I don't need anyone anymore

Bbm
Ohhhh

Bm E D

Bm E D
Just tell me what is the way that you would take to hold onto
Bm E D
Cause I've been lost, I've been lost for so long

A D Bm
You've talked to me enough now take this pill

A D
Cause I don't need to love to keep myself still

A
But I'm still here for you

A D Bm
So we just take off full speed ahead

A D
I don't think we need these paths

A D Bm
Can you please just turn yourself away from me now

A D
I just can't look at you anymore

Just tell me what is the way that you would take to hold onto
