I told myself I loved you

And again my heart it shivers

Help me believe my son

That I don't need anyone anymore

Just tell me what is the way that you would take to hold onto
Am D C
Cause I've been lost, I've been lost for so long

G C Am
You've talked to me enough now take this pill
G C
Cause I don't need to love to keep myself still

But I'm still here for you
G C Am
So we just take off full speed ahead
G C
I don't think we need these paths
G C Am
Can you please just turn yourself away from me now
G C
I just can't look at you anymore

Am D C

Just tell me what is the way that you would take to hold onto
