The sun rises in the east

G# C#

Then it sets in my heart

Goodbye my love

I told myself I loved you

And again my heart it shivers

And I know

G# C#

Help me believe my son

G# C#

That I don't need anyone anymore

Just tell me what is the way that you would take to hold onto

Cause I've been lost, I've been lost for so long

G# C# Bbm

You've talked to me enough now take this pill

G# C#

Cause I don't need to love to keep myself still

So we just take off full speed ahead

G# C#

I don't think we need these paths

G# C# Bbm

G# C#

I just can't look at you anymore

Bbm Eb C#

Bbm Eb C#

Just tell me what is the way that you would take to hold onto

Bbm Eb C#

Cause I've been lost, I've been lost for so long
