The sun rises in the east

Then it sets in my heart

Goodbye my love
B E C#m
I told myself I loved you
B E
And again my heart it shivers

B
And I know
B E
Help me believe my son
B E
That I don't need anyone anymore

Just tell me what is the way that you would take to hold onto
C#m F# E
Cause I've been lost, I've been lost for so long

B E C#m
You've talked to me enough now take this pill
B E
Cause I don't need to love to keep myself still
B
But I'm still here for you
B E C#m
So we just take off full speed ahead
B E
I don't think we need these paths
B E C#m
Can you please just turn yourself away from me now
B E
I just can't look at you anymore

C#m F# E
C#m F# E
Just tell me what is the way that you would take to hold onto
C#m F# E
Cause I've been lost, I've been lost for so long
