

Kick The Bucket

Kick The bucket
Charlie Winston

Standard tuning : EADGBE

INTRO:

Dm F Bb A
Dm F Bb G

Dm F
If you say this is pop
Bb Dm
To be singing to a tune with a rhythm like this
Dm F
Would it be so unpopular
Bb G
For a singer like me to be bringing up the fact
Dm F
That we\ re all gonna go
Bb Dm
Some people swear, they say they know where.
Dm F
For me it\ s a mystery.
Bb G G G G
But which ever way you see it you have to admit it and live it and live it !
Bb Dm F Bb
We all kick the bucket in the end ! The end !
Bb Dm F Bb
All the girls kick the bucket in the end ! The end !
Bb Dm F Bb
And the boys kick the bucket in the end ! The end !
Bb Dm F Bb
Yep ! We all kick the bucket in the end ! The end ! The end ! The end ! The end !
!

Blew up my TV.
It was numbing my brain to be thinking the same
As a million other peo - ple
All feeling afraid of the same thing.
But there\ s nothing to lose
Cause we\ re all on a bike and we\ re cycling through
Getting off on our injuries

But you gotta get back on it and live it and live it to love it
And live and love life !

Cause we all kick the bucket in the end ! The end !
All the girls kick the bucket in the end ! The end !
And the boys kick the bucket in the end ! My friend !
Yep ! We all kick the bucket in the end ! The end ! The end ! The end ! The end
!

This is not a sad song !
I don\ t bring it up to get you down,
It\ s a celebration for all the red cells
Going round and round in your body !

I don\ t mean to preach or to sound like a teacher.
No ! I only wanna cut the crap and looking back,
Everybody\ s had to face the facts.

That we all kick the bucket in the end ! The end !
All the girls kick the bucket in the end ! The end !
And the boys kick the bucket in the end ! My, my, my, my friend !
Yep ! We all kick the bucket in the end ! The end ! The end ! The end ! The end
!

Ah, ah ah
Ah, ah ah
