I miss my home and i know that it s gone  
**?** **Cm**

I guess I ll just do the same

**Cm**  
Where?  
**G**  
Where can I buy happiness?  
**D#**  
Does anybody know?  
**G#**

**Bb Cm**

Cause I don t know

Verse 2: (same as Verse 1 with the repetition of [D# + G#] once)

Deep in the city where the lights are like a bad dream  
There s people selling trees and snow in every window  
I heard a story of a man called Christ  
And to celebrate his birthday everybody pays a high price  
They must keep happiness behind closed doors  
Cause I canâ€™t seem to find no happiness store  
Is to raise a smile against the law?  
Cause they all look just how I feel  
And if they got a little joy then  
I m happy to make a deal  
Well I ll beg and I ll borrow but  
I m not gonna steal!

Chorus:

Where?  
Where can I buy happiness?  
Does anybody know?  
Where can I buy happiness?

Where?  
Where can I buy happiness?  
Does anybody show me?  
Where can I buy happiness?  
Cause I don t know

Can anybody tell me?

Where?  
Where can I buy happiness?  
Could anybody show me  
Where can I buy happiness?  
Cause I don t know
