Won t you take me to your heaven to your heart.

I can feel your body next to mine,  
Reaching for a kiss that keeps me, warm and tender,  
Seven steps to heaven, show the way,  
When I m there I give myself the sweet surrender,

I can feel your body next to mine,  
Reaching for a kiss that keeps me, warm and tender,  
Seven steps to heaven, show the way,  
When I m there I give myself the sweet surrender,

Then I gonna make you mine,  
Love you till the end of time.
