

How I Can Just Kill A Man
Charlotte Sometimes

B

Go get your ribbon box

G#m

Go get your wounded heart

F#

Seeing spiders, I m told

E

they never lie.

B

Go get your brother love

G#m

Go get your losing head

F#

Seeing fire, I m told

E

it never burns.

prechorus

E

I want it all,

F#

I pull you back.

E

I want it all.

Chorus

B

Cry baby,

G#m

cry baby,

C#m

cry.

E

Soaking

F#

down your

B

Cry baby,

G#m

cry baby,

C#m

and you can t understand how

E

I could just

F#

kill a man.

same as first verse

No to your letters love

No to unsturdy hands

Sleeping eyes, I m told they never lie.

No to your key of rust

No to your raging words

Sleeping tires, I m told they never drive.

(Pre-Chorus and Chorus repeats)

E

If I wanted to stay, you won t stand in my way

B

But I m choosing to leave

F#

with your heart on my sleeve

E

It feels too

F#

good without you

(Chorus outro)
