

Deep In The Dark
Charlottes Web

Am **Dm** **Am**
Now is the hour when the frogs and thrushes
Am **Dm** **Am**
Praise the wold from the woods and rushes
Am
Sleep, my love
Am **E7** **Am**
Sleep, my only, deep in the dark

Am **Dm** **Am**
Fragile and magical shadows
Am **E7**
Silently start to appear
Am **F**
Lovely and lyrical, silvery miracle
E7 **Am**
Charlotte s web

Am **Dm** **Am**
Carefully spinning her tracings
Am **E7**
Lacy and gracefully sheer
Am **F**
Over and under, the infinite wonder
E7 **Am**
Of Charlotte s web

G **C**
Why is she spinning and weaving away all night long?
G **C**
What is she trying so hard to convey with her silent song?

Am **Dm** **Am**
Sometimes when somebody loves you
Am **E7**
Miracles somehow appear
Am **F**
There in warp and the woof is the proof of it
E7 **Am**
