

**Build me up buttercup**  
**Charly García**

                  G                  Bm  
Why do you build me up buttercup baby,  
                  C                  D  
don't you let me down and mess me around.  
                  G                  Bm  
And then worst of all you never call baby,  
                  C                  D  
when you say you will, but I love you still.

                  G                  F  
I need you more than anyone darling,  
                  C                  Cm  
you know that I have from the start.  
                  G                  D  
Build me up, buttercup,  
                  C          G/B Am G D  
don't break my heart.

                  G                  D                  F                  C  
I'll be over at ten, you told me time and again.  
                  G                  C  
I know you're late, I wait around and then  
                  G                  D                  F                  C  
I run to the door, I can't take anymore.  
                  G                  C                  C/B  
But I know you you let me down again.  
Am                  D  
  Baby, baby, try to find  
Bm                  E  
  a little baby that makes me happy.  
G                  A                  D  
I'll be strong, I'll be all night waiting for you.

Why do you build me up...

I need you more than...

I'll be over at ten, you told...

I need you more than...

I'll be over at ten, you told...
