In the city that never sleeps, E Em I sleep alone. BmIn the city that never sleeps, E Em I've found my home. G I never worry for the things Βm I have to say. I never worry for the things, Bsus4 B I do believe in my way. BmIn another part of the world, E Em I can be free. In another part of the world, \mathbf{E} Εm I can believe. I never worry for the things I have to say. I never worry for the things, I do believe in my way. How can you think I'm crazy? Well I can need you on the start. How do you think I'm lazy? See you, only whith my heart again. In the city that never sleeps,

I sleep alone.

In another part of the world,
I've found my home.

I never worry for the things

I have to say.

I never worry for the things,

I do believe in my way.

Bm

In the city that never sleeps (I sleep alone) [x3]
