

I Wonder In Whose Arms
Chas & Dave

G		D
I wonder in whose arms you are tonight		
D		G
I wonder does he think he s doing alright		
E	A	
I don t really care but still I wonder		
A		D
Just how long he takes to see the light		
G		D
I wonder if you use the same old lines		
D		G
The ones you used to whisper all the time		
E	A	
Please believe me I ain t sorry that I lost you		
G	D	G
But I wonder in whose arms you are tonight
