

If The Moon Fell Down Tonight
Chase Coy

CAPO on fourth

[Verse]

C
Every time i see your smile
G
It makes my heart beat fast
F
And though its much too soon to tell
G
I m hoping this will last

[Chorus]

C **G**
Cause i just always wanna have you right here by my side
F
The future s near but never certain
G
At least stay here for just a night
AM **F** **AM** **F**
I must ve done something right to deserve you in my life
AM **G** **C**
I must ve done something right along the way

[Verse]

C
I just can t get you off my mind
G
And why would i even try
F
Even when i close my eyes
G
I dream about you all the time

[Chorus]

C **G**
Cause i just always wanna have you right here by my side
F
The future s near but never certain
G
So please stay here for just a night
AM **F** **AM** **F**
I must ve done something right to deserve you in my life
AM **G** **C**
I must ve done something right along the way

[Bridge]

AM **F** **C**
And even if the moon fell down tonight

AM **F**
There d be nothing to worry about at all

C
Because you make the whole world shine

AM
As long as you re here

F **C G AM G F G**
Everything would be alright

[Outro]

AM **F** **AM** **F**
I must ve done something right to deserve you in my life

AM **G** **C**
I must ve done something right along the way
