

Take Me Away
Chase Coy

G C G D
Take me away to January

G
I m done with this year

C G D
I m tired of everyone here

G C D
I just need some time alone

G C D
Before I m ready to come back home

G C G D
There s gotta be something else out there for me

G C G D
I could feel it in my heart the day I started to dream

G C D
There s more than this Midwestern town

G C D
I can t let this place keep me down

G C
So I tell myself,

G C D G
There s a girl out on the coast of California

G C D G
There s a world out there and it s waiting for you

G C D G
And I can hear them calling my name tonight

G C G D
Take me away, I need the sand and the waves

G C G D
The sunset and let s not forget those warm autumn days

G C D
I just need to get out of here

G C D
And visit the coast just to see her

G C G D
There s gotta be something else out there for me

G C G D
I could feel it in my heart the day I started to dream

G C D
There s more than this Midwestern town

G C D
I can t let this place keep me down
