Intro

Gm Fm D# Gm

(Listen to the song for stuming pattern)

Verse

Gm
You say,

Fm
We canâ€™t go on this way,

D#
Things have got to change,

Gm
When your gone,

Gm
And each day,

Fm
A choice gets made,

D#
You think itâ€™s yours to make,

Gm
But your wrong,

Chorus and Pre-chorus

Gm
Thereâ€™s nowhere to run,

Fm
No place you can go,
D#
Nowhere you can hide,
F
Where you won't be found,
Gm
There's no place on earth,
Fm
Where you could lay low,
D#
Wherever you are,
F
I will track you down,
Gm
There's no way in hell,
Fm
I will let you leave,
D#
Let you just get up,
F
And walk out on me,
Gm
There's no way on earth,
Fm
Hell would have to freeze,
D#
More than twice before,
F
I will let you go!,

The verse and chours are then repeted and thats pretty much the song. Let me know where i have gone wrong if i have as i say this is my first posted chords ive worked out from ear so i apologise in advance for any mistakes.
