Time ft Delilah

Am

If you can find the time

F

To give your love to me

Am

I will wait for you

F

If that s all you need

Am

If you can find the time

F

If ever you re free

Am

Just drop me a line

F

And tell me where you ll be

G Am F

I ll be right here

If you can find the time

G Am F

Just be sincere

If you can find the time

G Am F

I ll wait for you

But if you can t find the time

G Am F

Then cut me loose

Am

Cause I don t have the time

F

And I don t have the patience

Am

What do you take me for?

F

Why am I still waiting?

Am

Cause while you decide

F

I m fucking suffocating

Am

Cause if you can t find the time

F

My bleeding heart won t make it x2

Am

If you can find the time

F

To give your love to me

Am

Just drop me a line

And tell me where you ll be

I ll be right here

If you can find the time
