Chasen

this is my first tab so go easy plz

capo 3

Am **F** **C** **G**
I feel destruction running hard through my veins
i feel redemption rushing my way

Am **C** **G**
my victories are bittersweet and now i can tell
the only place my plans have left me is right where i fell

chorus: same chords as verse **Am F C G** two counts

overboard too far from shore
castaway trying to make it home
i catch my breathy to save myself
but i cant in my sight you were just in time
i feel you now youre by my side
i know you gave me the gift of a second chance

verse 2
i have a dream of life on my own
i had a place i thought was my home

but now i see i just cant have it any other way
its all or nothing do or die but im the price i pay
