

Nothing Like You
Chasen

Artist: Chasen <http://www.chasenmusic.com/>
Song: Nothing Like You
Tabber: Visual effects

Verse 1:

Take a storm and watch sing **D**
Take the thunder create a scene **D2**
Take a light and throw it across the sky **D**
For the whole world to see **D2**
Take the ocean take the tide **D**
Sweep it in here on beaches white **D2**
Wipe my eyes and let me see **D**
The beauty of Your sunrise **D2**

Chorus:

There is nothing like You **G D**
There is nothing underneath the sun **D2 D**
Without You, You are all and all is good **D2 G D D2 D**
There is nothing like You **D2 G D**

Verse 2:

Take a branch and watch it break **D**
Take the snow and watch it fall **D2**
As the green begins to grow **D**
Lord Your growing my soul **D2**

Chorus:

G **D**
There is nothing like You

D2 **D**
There is nothing underneath the son

D2 **G D** **D2** **D**
Without You, You are all and all is good

D2 **G** **D**
There is nothing like You
