Anything at all - My Porcelain Doll

Look at the little feet - look at the little hands  
there is something there that only I can understand  
I'm here to protect you and keep you from harm  
If you could live your whole life wrapped up in my arms  
In a little ball - My Porcelain Doll

Someday you'll be older - go off on your own  
Out into the world and build a brand new home  
But I want you to know as the years they pass us by  
I'll be here for you, until the day I die
