

Cover Girl
Cheap Trick

intro: **E**

verse

E **B**
Well the first time that I saw her it was 1979
C#
Couldn't see her walk couldn't hear her talk
A
still wish she were mine

second verse

I saw that face and saw that smile
and in a little while
I fell into a dream come true

chorus

E
she's a cover girl
F#
she lives in her own little world
A
I wish she was my girl **E**
and her name was she's a cover girl
F#
she's always in my dreams
A
she's never what she seems
in a fantasy world

third verse

the next time that I saw her it was on page 69
Biting her lips shaking her hips
you know she looked so fine

fourth verse

so I bought those books to get those looks
I could see her anytime
She's just like a dream come true

chorus

bridge: **D**

fifth verse

The last time that I saw her was 1985
It was 6 years later I still wanna date her
that s no surprise

sixth verse

She s looks a little different now
she comes in every size
but I still love her hope you realize

chorus

first half of chorus

outro

B
