

**I Cant Take It  
Cheap Trick**

There are some chords in this song that I made up (don t know they re names if they have any), so I abbreviated them in an unusual manner below.

UNUSUAL CHORDS:        **D?**  xx0454  
                          **A?**  x01210  
                          **A\***  x04540  
                          **A7sus4** x02030

INTRO:  **D**    **F#m**    **D**    **F#m**

VERSE 1:

**E**                    **A**  
Well I saw you today and realized  
How I missed my peace of mind  
**D**  
I feel your breath in my ear  
**E**                                    **D**                                    **A**  
But late at night its you I always think about  
That little girl inside of you I once knew  
**D**  
I should have known better  
**E**                                    **D**                                    (**D?**)  
Still the smell of you was on my face  
(**A?**)                    (**A\***)  
But you were too busy  
**A**                                    **F#m**  
To notice me last night

CHORUS:

**D**                                    **E**  
Now I canâ€™t take it alone, I canâ€™t make it alone  
**D**                                    **E**                                    **D**  
I canâ€™t take it, I canâ€™t make it alone

INTRO

Oh no, oo, oh no

VERSE 2:

**E**                    **A**  
Then I tell myself Iâ€™ll put you down  
Donâ€™t wanna see your face around  
**D**  
Donâ€™t call me up anymore  
**E**                                    **D**                                    (**D?**)

When I hear your voice itâ€™s in my ear

(A?) (A\*)

Youâ€™re kissinâ€™ on the phone

A F#m

It makes it all come clear

CHORUS

INTRO THROUGH THIS SECTION:

Oh no, oh, oh no

I try to tell myself

Donâ€™t need you anymore

Dont want you hangin around my door, oh no

D A E D E7 F#m E (2x)

D F#m

Now I canâ€™t take it alone, I canâ€™t make it alone

D F#m

I canâ€™t take it alone, I canâ€™t make it alone

D E A

I canâ€™t take it, I canâ€™t make it alone

F#m

If itâ€™s wrong or right

D E A

I canâ€™t take it, I canâ€™t make it alone

F#m

You know how I tried

D E A

I canâ€™t take it, I canâ€™t make it alone

F#m

I try tell myself donâ€™t need you anymore

D E A

I canâ€™t take it, I canâ€™t make it alone

F#m

Oh baby, my pretty baby

D E A A7sus4 A

I canâ€™t take it, I canâ€™t make it alone
