Say good bye
Cheap Trick
>From the CD: Cheap Trick (?)
Written by: Rick Nielson, Robin Zander, Tom Peterson
interpreted by: Scott Stilley

(Verse has an A bar chord with individual notes added so while the
main chord is A the
individual note progression is as follows: E... F... Fs... F...   E..
. **F**... Fs... **G**)

A (**E F** Fs)   **A** (**E F** Fs **G**)
How does it feel to be better, how does it feel to be on your own, oh
tell me
D   **A E D E**
Why did you take the time and tell me that you came to say good bye
(sus)
A   E   D   E
Everybody wants to laugh when you feel bad
A   E   D   E
It seems like the only way when the nights won t pass
E   D   E   D   E   A
When you re so sad, if you can t go back, and you can t look down
A (**E F** Fs)   **A** (**E F** Fs **G**)
How does it feel to be better, how does it feel to be on your own, oh
tell me
D   **A E D E**   **A E D E**
Why did you take the time and tell me that you came to say good bye
(sus), good bye (sus)
A   E   D E
Everything comes to mind it s a breakdown
A   E   D E
The way things seem to slide it s a free fall
E   D   E   D   E   A
When you re so sad, if you can t go back, and you can t look down
(Solo)

A (**E F** Fs)   **A** (**E F** Fs **G**)
How does it feel to be better, how does it feel to be on your own, oh
tell me
D
Why did you take the time, walk away tell those lies
D
Why did you waste your time to tell me that you came to say
A E D E   **A E D E**   **A E D E**
good bye (sus),   good bye (sus),   good bye (sus) (repeat fade)
