Put Me Back Together
Cheat Codes

[Verse 1]
```
C           Em  C
I never met nobody
C
Who sees the stars the way you do
C              Em  C
Nobody that can love me
C
When I m stumbling  round the room
 C                        Em  C
You put your hands on my body
 C
And you give me that ooh ooh
 C              Em   C
And I know that you got me
C
When I m falling into you
```

[Chorus]
```
 C                      Em      C
You take me high when I m dropping low
  C                    Em
And you show me places I never know
  C                                     Em
Even when we just running  round town getting stoned
       Am          Csus2      C
Boy, you put me back together again
C        Em  C
A Coca-Cola Hennessey
 C                      Em      C
Everybody says you re no good for me
 C                     Em C
But you re my fucked up remedy
C      Am        Csus2      C
Boy, you put me back together again
```

[Post-Chorus]
```
Am            Csus2  C
Put me back together again
```

[Verse 2]
```
 C                      Em      C
When you re lying with me on the car hood
 C
```

Sharing Sweet Sweet dreams
 C   Em   C
You make me feel so classy
  C
Like I m an L.A. queen
  C   Em   C
You don t care that I m broken
  C
You don t care that I m mean
 C   Em   C
You just say that I m golden
   C
Like a Jesus piece

[Chorus]

 C   Em   C
You take me high when I m dropping low
  C   Em
And you show me places I never know
  C   Em
Even when we just running round town getting stoned
        Am   Csus2   C
Boy, you put me back together again
C   Em C
A Coca-Cola Hennessey
 C   Em   C
Everybody says you re no good for me
 C   Em C
But you re my fucked up remedy
C   Am   Csus2   C
Boy, you put me back together again

[Post-Chorus]
Am   Csus2 C
Put me back together

[Chorus]

 C   Em   C
You take me high when I m dropping low
  C   Em
And you show me places I never know
  C   Em
Even when we just running round town getting stoned
        Am   Csus2   C
Boy, you put me back together again
C   Em C
A Coca-Cola Hennessey
 C   Em   C

Everybody says you re no good for me
 C   Em C
But you re my fucked up remedy
C   Am   Csus2   C
Boy, you put me back together again

[Outro]

C   Am   Csus2   C
Boy, you put me back together again

C   Am   Csus2   C
Boy, you put me back together again
