[Verse]

```

                C                G                F                C                G C
You must be from Jupiter cause ye make me feel like a man in a rocket
                C                G                F                C                G C
You re so peculiar make me sing make me dance like a puppet now
                Am                G                F                C                G
You re so peculiar just wanna be on your planet forever now
C
Forever now

```

[Chorus]

```

Am F C
(Whooh) I don t need ground control now
Am F C
(Whooh) Man i m burning my bridges
Am F C
(Whooh) If you walk in on my old life
Am F C
(Whooh) Please say hi to the Mrs

[Verse 2]

```

                C                G                C
Say hi to the past when he rolls by
                G                F
Everytime he a taller guy
                C                G                F                C
If one day he won t fit your house no more
                F
Don t be surprised
                C                G                C
Say hi to the dude with the golden watch

```

**G** **F**  
 Shake hands with the man who lost his touch  
**C** **G** **F** **C** **G** **F**  
 Highfive the kid that don t seem to fit the script of his time  
**Am** **G** **F** **C** **G**  
 Send my regards to all em coulda been woulda been shoulda beens  
**C**  
 I hope they be fine without me
