

Af1s

Chelsea Cutler

[Verse 1]

**D**  
I don t wanna stay and put the weight on you  
**G**  
Cause maybe in the morning, you  $\hat{A}$ ll remember that before it  
**D**  
Got so hard it hurts, you used to want me too  
**G**  
And i never had to question what i said before i sent it

[Pre-Chorus]

**Bm**  
There s a line that you drew and i said it s all right  
**G**  
But i don t wait inside it  
**G**  
No i don t wanna waste no time  
  
When i still want you

[Chorus]

**D** **A**  
Just the same as nights we laid out on pavement  
**Bm7**  
Drinking til we got wasted  
**G** **D**  
Loosening nike laces on our af1s  
**A**  
Dancing around your bedroom  
**Bm7**  
Things that i never told you  
**G**  
Now i m alone and i don t know why this happened to

[Verse 2]

**D**  
I just wanna stay the night and see this through  
**G**  
Cause maybe in the morning you ll remember that before it  
**D**  
Got so hard it hurts, you used to want me too  
**G**  
And i never had to question if you really ever meant it, yeah

There s a line that you drew and i said it s all right
