

Turn My Swag On
Cher Lloyd

Am F G C

[Verse]

Dame diva™s give it to me
Hopped up out the bed
Turn my swag on
Take a look in mirror
Said wassup wassup wassup (yeah)
I get money (oh)
Hopped up out the bed
Turn my swag on
Take a look in mirror
Said wassup wassup wassup (yeah)
I get money (oh)
They told me round my hood
Boy they said everytime they see me
I look good (yeah)
I get money (oh)
If you be hating just be mad at yourself
I bet you think this song is about you,
don™t you (yeah)
But this ain™t about you
Said this is for my people who be handling business
Got in ups to them haters cause we to busy winning
You can tell me nothing (x2)
If you aint getting monet
Then you aint got nothing for me
Cause I be making paper like you wouldn™t believe
And I always getting haters like you wouldn™t believe
So wassup (yeah)
Boy stop (oh)
I hopped up out the bed
Turn my swag on
Take a look in mirror
Said wassup wassup wassup (yeah)
I get money (oh)
