You re an outlaw lover and I m after you hide
 Well you ain t so strong Won t be long til your hands are tied
 Tonight I m gonna take you in dead or alive That s right

You break the laws of love in the name of desire
 Take ten steps back cause I m ready baby aim and fire
 Baby there s nowhere you gonna run tonight ooh that s right

Well you had your way with love but it s the end of the day
 Now a team of wild horses couldn t drag your heart away
 So come on baby, come on baby
 Come on baby you know there ain t nothing left to say

If you can give it I can take it
 Cos if this heart is gonna break it s gonna take a lot to break it
