

Sirens
Cher

D G D G
Last Night I dream t I was floating with you

G D G D G
The river so deep and the sky perfect blue

D Bm
If we leave behind the dust in the sky
Bm G D
From the sound of sirens the city will rise
D Bm
Hold you hand in mine, we ll swim against the tide
Bm G D A Bm
From the sound of sirens love will survive

Bm G D A Bm
And when your heart is on the run
Bm G D A Bm
When it s chains have come undone (ohh ohh)
Bm G D A
I will always be the one
A G
To carry you home

D G
Street light so empty
G D G
The lust and the muse
G D G
The lights all seem vincent
G D G
Are too much to lose

D Bm
If we leave behind the dust in the sky
Bm G D
From the sound of sirens the city will rise
D Bm
Hold you hand in mine, we ll swim against the tide
Bm G D A Bm
From the sound of sirens love will survive
