

We All Sleep Alone
Cher

This Tab Is Exactly Right....
~Lenti~

Intro: **F#m D A** (x2)

Verse: **F#m D A** (x4)

Somebody, somewhere turns out the lights
Somebody all alone faces the night

F#m
You\ ve got to be strong
D
When you\ re out on your own
E D
Sooner or later

We all sleep alone

(Repeat Intro)

Nobody nowhere holds the key to your heart
When love\ s a possession it\ ll tear you apart
You may have lovers wherever you roam
But sooner or later
We all sleep alone

Bridge:

D E F#m
The young and the young at heart wait
D E F#m
But the wait never ends in the soul
D E F#m
When you feel like it\ s all blown away
D
Independence has come
E
And into the night I go

Solo: **F#m D A** (x4)

Don\ t make no promises

That I can\ t keep
Won\ t be no prisoner
Of somebody\ s needs

Well you may have lovers
Wherever you roam
But sooner or later
We all sleep alone
