I m gonna show you all what I m made of

I ve been brought - down to my knees

And I ve been pushed - way past the point of breaking

But I can take it I ll be back - Back on my feet

This is far from over

Yeah, i m far from over - You haven t seen the last of me

No no - I m not going nowhere

I m staying right here - Oh no

You won t see me begging - I m not taking my bow

Can t stop me - It s not the end

You haven t seen the last of me

Oh no - You haven t seen the last to me

You haven t seen the last to me
