

Never Love Again Cherbourg

My first chords done here.
I used this site alot so it feels right to
contribute with something.

Great song from Cherbourg.

Capo on second.

Intro

Am C F C G Am F G Am C F C G Am F Am

Am **C**
I kissed your neck and you left the room

Am **C**
You probably had someone better to do

Am **C**
You probably had a million other things on your mind

G
Only, you are on mine

Am **C** **F** **C**
I will never love again with all my heart

G **Am** **F** **G**
It just falls apart every time I try

Am **C** **F** **C**
I will never love again with all my heart

G **Am** **F** **Am**
It just falls apart every time I try

Am **C**
There s a queue outside o your door

Am **C**
Of all the hearts you ve broken before

Am **C**
Who am I to think that I am anything more

G

Than just one of those

F

I m just one of those

Am

C

F

C

I will never love again with all my heart
