

Dancing On My Own
Chester See

[Verse 1]

C# **G#** **F#**
Somebody said got a new friend
C# **G#** **F#**
Does she love you better than I can?

There's a big black sky over my town

I know where you're at
F#
I bet she's around
A#m **G#**
Yeah I know it's stupid
F#
I just gotta see it for myself

[Chorus]

C# **G#**
I'm in the corner
F#
Watching you kiss her
F#
Oh oh oh
C# **G#**
I'm right over here
F#
Why can't you see me?
F#
Oh oh oh
A#m **G#**
I'm giving it my all
F#
I'm not the guy you're taking home
A#m
Oh oh oh
A#m **G#** **F#**
I keep dancing on my own

C# **G#**
I'm just gonna dance
F#
All night

Stilettos and broken bottles
F#
Iâ€™m spinning around in circles

[Chorus]

Watching you kiss her
