Verse 1:She loved and left me

Still she kept me

D

Wanting more, but feeling empty

Em

Did she have to go?

C

Will I ever know?

G

Love and leave me

She decieved me

D

The way she kissed

Was so misleading

Em

I thought that she might stay

C

Then she went away

Am

But still I find

D

I m struggling with our

Last goodbye

Em

I thought this love would last

C

Now I m living in the past

G

Cause it s just me

D

And memories of how my heart

Would skip a beat

Em

Whenever you were near

C

Now you re never here

Am **G**

Before I find the strength

D

To let this go
