Tuning:Standard

[Verse]
```
F                   G                 Em      Em7          Am7
 I don t wanna tell you that I long to see your face
F                   G7           C/E
 I m scared it might scare you away
F                   G                         Em          Em7         Am
 and I don t wanna tell you that sometimes I think of you and smile
Dm7                         G7                Am
   cause time with you is time enough for now

              F  G7sus-G7      C         C/B         Am7
But I don t know how long     I can stick around and be
      Am7/G     F             G7sus                Am
just another friend time and time again and hold my tongue.
            F  G7sus-G7       C         C/B       Am7
I don t know how long    before it breaks me down inside
     Am7/G   F                G7sus          F                  G7sus
and all  my strength has gone away, and it s too late before I say
```

[Chorus]
```
     F-G7sus      Am
I m falling for you
     F-G7sus      Am
I m falling for you
```

[Verse]
```
F                  G                 Em      Em7         Am
 I m trying hard to be myself but I always seem to fail
F                          G                Am
 I m afraid I m not the guy you know so well
F                  G                 Em      Em7         Am7
 cause every time I m near you I just seem to lose my head
Dm7                    G7           C/E
 and spend my time admiring instead.

              F  G7sus-G7      C         C/B         Am7
But I don t know how long     I can stick around and be
      Am7/G     F             G7sus                Am
just another friend time and time again and hold my tongue.
            F  G7sus-G7       C         C/B       Am7
I don t know how long    before it breaks me down inside
     Am7/G   F                G7sus          F                  G7sus
and all  my strength has gone away, and it s too late before I say
```

[Chorus]
```
    F-G7sus      Am
I m falling for you
    F-G7sus      Am
I m falling for you
```

[Verse]
```
    F                             G7sus-G7      C       C/B     Am7-Am7/G
I m torn between the chance for everything and a price that I can t pay
 F                              G7sus-G7      C       C/B    Am7
losing you is something that I d never chose so I ll just have to wait
        F            G7sus
but it kills me everyday
```

[Chorus]
```
    F-G7sus      Am
I m falling for you

    F-G7sus      Am
I m falling for you

    F-G7sus      Am
I m falling for you

    F-G7sus      Am
I m falling for you
```

```
F            G                        Em        Em7       Am
 I don t wanna tell you sometimes I  think of you and smile.
