CAPO on 2nd Fret

Am F C G
Thinking bout the things I didn t do

Am F C G
Thinking bout the times I didn t say I love you

Am F C G
Thinking bout the memories I m holding now mean more to me

Am F C G
And how I d do things differently if only I had known
Oh...

Am **F**
 But you never really know till it s gone
C **G**
 Till time, play this final song
Am **F** **C** **G**
 You never really understand till you lose what you once had
Am **F**
 You never really take the moments for what they re worth
C **G**
 Appreciate and put her first
F **G**
 I m sorry I let you go
Am **F** **C** **G**
 I should have known
Am **F** **C** **G**
 I should have known

Am F C G
Pride in me, apologies too late

Am F C G
Paid the price the moment you walked away

Am F C G Am
Only left with only this, should or could or never did and now

F C G
I m only left with this
Oh...
