Ripped gloves, raincoat
Tried to swim and stay afloat
Dry house, wet clothes
Loose change, bank notes
Weary-eyed, dry throat
Call girl, no phone

And they say She s in the Class A Team Stuck in her daydream Been this way since eighteen But lately her face seems Slowly sinking, wasting Crumbling like pastries And they scream The worst things in life come free to us Cause we re just under the upper hand And go mad for a couple grams And she don t want to go outside tonight And in a pipe she flies to the Motherland Or sells love to another man It s too cold outside For angels to fly An angel will die Covered in white Closed eye And hoping for a better life This time, we ll fade out tonight Straight down the line

And they say
She s in the Class A Team
Stuck in her daydream
Been this way since eighteen
But lately her face seems
Slowly sinking, wasting
Crumbling like pastries

They scream
The worst things in life come free to us
And we re all under the upper hand
Go mad for a couple grams
And we don t want to go outside tonight
And in a pipe we fly to the Motherland
Or sell love to another man
It s too cold outside
For angels to fly
Angels to fly
To fly, fly
For angels to fly, to fly, to fly
Or angels to die
