

Why Wont You Smile  
Chester See

**D** **Am**  
Is it something on the ground  
**G**  
Cos it s sunshine all around  
**D**  
Don t you wanna see it  
**D** **Am**  
Is there something I could say  
**G**  
That ll make it all okay  
**D**  
And help you to believe it

**Bm** **Am**  
I feel so weak  
**Bm** **Am**  
Watching you sink

Chorus:

**G**  
Why won t you smile?  
**Am**  
Just for a little while  
**C**  
Just for a moment  
**G**  
You can show it, it s alright  
**G**  
Why won t you smile?  
**Am**  
Give it a try  
**C**  
Just let it shine  
**G**  
Oh why won t you smile

Verse 2:

**D** **Am**  
Your tears have gone away  
**G**  
They leave you with the stains  
**D**  
There s no denying

**D**                                      **Am**  
You hide behind your hair  
                                             **G**  
and your bitter broken stare  
                                             **D**  
I know that you've been crying

**Bm**                              **Am**  
What did you lose  
   **Bm**                      **Am**  
What can I do

-Chorus-

**Em**  
So the world can see

**Bm**  
Smile, if not just for me  
                     **G**  
Oh smile  
   **Am**  
Ooh

**G**                              **C**                              **Am**                              **F**
