The next time I m in town

Though I won t be back here for a while

Or hear your laughter, see you smile

And I ll remember what went down

I can t tell you how or when

But I ll be seeing you again

The next time I m in town

Now the faces and the places range
Cross the bridge of time and change
Once again I m homeward bound
There s one thing I promise you
And that s another rendez-vous
The next time I m in town

It s been something seeing you again
And in this time we ve had to spend
You ve been so good to be around
And I thank you for that special thrill
Keep me goin on until
The next time I m in town

It s been something seeing you again
And in this time we ve had to spend
You ve been so good to be around
And I thank you for that special thrill
Keep me goin on until
The next time I m in town
