

**Im Into You**  
**Chet Faker**

This is only what I figured out by ear and could very easily be wrong. Feel free to suggest corrections.

**Dm**                    **Gm**  
I gotta feeling we are gonna win  
     **Bb**                    **C**  
our bodies make it perfect  
     **Dm**  
and your eyes can make me swim

**Dm**                    **Gm**  
then again everything seems new  
**Bb**                    **C**  
I can barely hold my tongue  
     **Dm**  
to say the least I m into you

These chords are repeated throughout the whole or the song more or less. listen to the song and you will figure it out.
