

Melt
Chet Faker

Intro: **Am Dm7**

Am **Dm**
Help me, please, you re breaking on my speech

Am **Dm**
While you smile at me you ve got the whitest teeth

Am **Dm**
You leave me alone every time I rest here my head

Am **Dm**
Breaking bones, breaking bones

Am **Dm**
You make me lose my time, fall all over the words

Am **Dm**
I m not the kind of one to lose myself and behind

Am
You gotta move and your body is the shape I want

Dm
Everything you say is on fire

Am
Can t be easy this position, to destroy my life

Dm
All you have to do is arrive

Am **Dm**
Melt my happiness, some kind of fucked up mess

Am **Dm**
Looking out for you is a kinder way to gain, appease me

Run in circles into my brain

Am **Dm**
Help my loneliness will take no part in this

Am **Dm**
Overdose

Am
Wasting my time with you, no

Dm
This only way to sunshine in my watch

Am
Wasting my time with you, stop

Dm
I ll be erasing my mind, what you ve got

Am
Too much nerve coming into here

Dm
Turning loose and make a murder fear

Am

God damn, boy, you so hot

Dm

It s no excuse to make my pole stop

Am

I need a bit of coffee and a warm side

Dm

Dusty ideas only have spots

Am

The verse I m singing only half sung

Dm

High fretting in the mob s brow

Am

Didn t mean to let it drift this far

Dm

I m playing hard to get, you re playing your guitar

Am

Damn, you should be so shy

Dm

Been working hard to drop me inside

Am

Dm

Our dreams breaking all, breaking all my bones

Am

Dm

Before I break it off, I break it off alone

Am

Dm

Melt my happiness, some kind of fucked up mess

Am

Dm

Looking out for you is a kinder way to gain, appease me

Run in circles into my brain

Am

Dm

Help my loneliness will take no part in this

Am

Dm

Overdose

Am

Dm

Melt my happiness, some kind of fucked up mess

Am

Dm

Looking out for you is a kinder way to gain, appease me

Run in circles into my brain

Am

Dm

Help my loneliness will take no part in this

Am

Dm

Overdose
