

Release Your Problems
Chet Faker

G#m

Oh, you taken all I own

C#7

You feeding something

G#m

C#7

Make me start to see in the night

G#m

C#7

Won t you, help me, roll back home

The feet is stumbling

G#m

C#7

Walk me down in the street in the light

G#m

Walk on or die

C#7

I will never know

G#m

C#7

Lone with mind, won t take my

Eyes to see the break in your ways

G#m

Release your problems, release your problems

C#7

Release your problems

G#m

C#7

Lone with mind, won t take my

Eyes to see the break in your ways

G#m

Release your problems, release your problems

C#7

Release your problems

G#m

B

C#7

Feels downhill wore it by your

I ve been poisoned

G#m

C#7

Reach around the streets and open fire

G#m

C#7

Feels a lot, don t leave the light on

G#m

I could be the warmest soul if I like though

What a lie, what a night

What a night

C#7

G#m

C#7

G#m

C#7

Don t lie to my face
