

To Me
Chet Faker

Am
You keep on lying,
C
You keep on lying, to me

Am
You re keeping me tight,
C
You re keeping me tight, I see

Am **C**
You keep on tying, enough to rely on me

Am **C**
You keep on lying, enough to deny you can see

F
When you curl up in bed
C
And it s you in you re head now, are you living?

F
When you look straight ahead and you wish you were dead
C
Now (now), are you giving?

Am
You re giving it all for nothing,
Am **C**
You re giving it all for nothing, I know

Am
You re giving it all for nothing,
Am **C**
You re giving it all for nothing, I know

Am
You keep on lying,
C
You keep on lying, to me

Am
You re keeping me tight,
C
You re keeping me tight, I see

Am **C**

You keep on tying, enough to rely on me
