Am
Assumed it s whether
G **Dm**
We re right or wrong
Am **G** **Dm**
We re doomed, and there s plenty for all

How dare you catch me counting

How dare you call at all

How dare you call it suffering
G **Dm**
How dare you call at all

Am
Press on these tannins
G **Dm**
They double in time
Am **G** **Dm**
The touch of life, once failed to mention so far

Of course the law is fountains
G **Dm**
Or face to face remorse
Am
A fast and restless blackmail
G **Dm**
Like pent-up fetish force

G **F**
It all makes sense, you re the perfect person
Am
So right, so wrong
G **F** **C**
Let s all live in your imaginary life

Should you need it at all?
