

Byblos
Chicago

[Intro]

Am7 Cm7 (3x)

Am7 Cm7 Dbm7

[Verse]

Dm7 Em7

I saw her once before

Ebmaj7 Fmaj7

She didn't turn me on

Bbmaj7 Dm7

One night she stopped to talk

Asus2 Am

To pass the time

Dm7 Em7

And then I saw her eyes

Ebmaj7 Fmaj7

Her softly smiling glow

Bbmaj7 Dm7

Asus2 Am

We sat and talked all night at Byblos

[Chorus]

Cmaj7

She talked of feelings

Fmaj7

That I knew were true

Dm7

She painted me a picture

Bm7

Esus2

Using every shade of blue

Am7 Fmaj7

It was light with laughter

Cmaj7

Dm7

At times it made me cry

Bbmaj7 Ebmaj7

Bm7

Am7

And now I'll never know just why I didn't ever try to hold her

Am7

Cm7

To squeeze her

Am7

Am7

Cm7

Dbm7

To kiss her all night long, I never tried to please her

[Verse]

Dm7 Em7

Then, soon she had to go

Ebmaj7 Fmaj7

I sat there all alone

Bbmaj7 Dm7

And thought of things she said

Asus2 Am

The whole day through

Dm7 Em7

And then I realized

Ebmaj7 Fmaj7

I never took the time

Bbmaj7 Dm7

To find out where she lived

Asus2 Am

Or where to call

[Chorus]

Cmaj7 Fmaj7

I thought that I would see her the next night

Dm7 Bm7 Esus2

Anticipating how I'd set myself right

Am7 Fmaj7

Then, I went back to Byblos

Cmaj7 Dm7

I sat there and waited

Bbmaj7 Ebmaj7

Feeling just a little nervous

Bm7 Esus2

And a little frustrated

Am7 Cm7

Then, soon, in she came

Am7 Cm7

Looking just the same

Am7 Cm7

Ooh, I could hardly wait to take her

Am7 Cm7

Far from the game

[Instrumental]

[Bridge]

Ebmaj7 Abmaj7

Then a person came in to the club

Ebmaj7 Abmaj7

That I had to speak to

Ebmaj7 Abmaj7

I explained the situation to her

Ebmaj7 Abmaj7

And I thought she understood

Ebmaj7

But I guess she thought

Abmaj7

I was jiving her around

Ebmaj7

Because when I looked for her

Abmaj7 **Bbmaj7**
This is what I found
Bmaj7 **Gbmaj7** **Dbmaj7** **Bbmaj7**
She was rapping with a real good friend of mine
Bmaj7 **Gbmaj7** **Dbmaj7** **Bbmaj7**
He was happening, I guess it was his time
Bmaj7 **Gbmaj7**
I really couldn't blame him
Dbmaj7 **Bbmaj7**
Because he was sad and lonely too
Bmaj7 **Gbmaj7**
But just talking to her did me so much good
Dbmaj7
I knew she'd do him good too

[Chorus]

Cmaj7 **Fmaj7**
Then I went home and I got it on
Dm7
Sat down to write these words
Bm7 **Esus2**
When I was finally alone
Am7 **Fmaj7**
And then, about halfway through
Cmaj7 **Dm7**
I wondered if someone knew
Ebmaj7 **Ebmaj7**
Where she was so I could give her a call
Bm7 **Esus2**
And I found out that she was right down the hall

[Instrumental]

Am7 Cm7 (2x)
Am7 Cm7 Am7 Cm7 Dbm7
Not too far away

[Verse]

Dm7 **Em7**
But that's ok
Ebmaj7 **Fmaj7**
I'll just wait for the day
Ebmaj7 **Dm7**
When I can see her again
Asus2 Am
And spend some time

[Ending]

Asus2 Am (9x)
