Chasin The Wind
Chicago

[Intro]
G   C   Am   D (4x)

[Verse 1]
G   **C**
Did the best I could
Am   **G**
To make you mine
Em   **Am**
If you ever felt anything for me
C   **D**
Well, you never gave a sign
G   **C**
Thought time would make you change
Am   **G**
Make you want me
Em   **Am**
But baby I never had a chance
          C
Now I know that there s just some things
D
Just not meant to be

[Chorus]
G   C
No use
Am   **D**
Making you care about me
G   C
No way
     Am   **D**
That I m going to win
      G   C
Oh, darling
    Am
I might as well be
D   **G   C**
Chasing the wind
Am
Oh, I m just
D   **G**
Chasing the wind
