(verse)

Well, you called me up this morning
Told me bout the new love you found
Said, I m happy for you.
I m really happy for you.

Found someone else,
I guess I won t be coming round
I guess it s over, baby
It s really over, baby, woooh

(pre-chorus)

And from what you re saying
I know you ve gotten over me
It ll never be the way it used to be
So if it s gotta be this way
Don t worry, baby,
I can take the news okay

(chorus)

But if you see me walking by,
And the tears are in my eyes,

Look away, baby, look away.

A

If we meet on the street some day,

(verse)

When we both agreed as lovers

We were better off as friends

That's how it had to be

Yeah, that's how it had to be

I tell you I'm fine,

But sometimes I just pretend

Wish you were holding me,

Wish you were still holding me, oooh

(pre-chorus)

I just never thought

That I would be replaced so soon

I wasn't prepared

To hear those words from you

I know I wanted to be free

Yeah, baby this is how we wanted it to be

(chorus)

A

But if you see me walking by,
