What Kind Of Man Would I Be? Chicago

C **F**
Girl, well, it s been one of those days again
G **C**
And it seems like the harder I try
F **G**
Over and over, I m right back where I began

But you understand
C **F**
Oh, girl, when nothing else in this world goes right
G **C**
Oh, I just want to run to you

You pull me through
F **G**
Oh, baby, who wouldn t wanna have you in their lives?

C **F** **G**
Tell me, what kind of man would I be?
C **F** **G** **G7**
Living a life without any meaning
C **F** **C** **F**
And I know you could surely survive without me
C **F**
But if I have to live without you
C **F** **C**
Tell me, what kind of man would I be?

C **F**
Times when it was pointless for me to try
G **C**
I was more than a desperate man

What seemed like forever
F **G**
Was gone with one touch of your hand

C

F

Oh, girl, if I could count all the sleepless nights

G

When you were there for me

A hook and chain

Tell me, what kind of man would I be?

What kind of man would I be?

Living a life without any meaning

And I know you could surely survive without me

But if I have to live without you

C

Tell me, what kind of man

Tell me, what kind of man

C
