

Youre Not Alone
Chicago

[Intro]

G G C D (2x)

[Verse]

G
I see you there, a silhouette in the moonlight
C D
Looks like you've given up on love
G
You used to be the face in the spotlight
C D
Now loneliness fits you like a glove
C D
You walk around in your cloak of darkness
Em G
Too blind to see the light
C C/B Am D G D
Your wings are broken, now your spirit can't take flight

[Chorus]

G G/F#
You're not alone, you're not alone
C Am D
While your heart's still young and free
G G/F#
You're not alone, pick up the phone
C C/B Am D
And talk to me, baby, you will see
G C D
You're not alone

[Verse]

G
Pools of sorrow and tears of joy
C D
There's a broken-up girl for every broken-down boy
G
But you don't want to hear it
G
You like the rhythm of the blues
C D
Want to be a sad story on the late-night news
C D
I don't mean to burst your bubble
Em G

But the world's got troubles worse than you
C C/B Am D G D
And everybody else out here gets lonely too

[Chorus]

G G/F#
You're not alone, you're not alone
C Am D
While your heart's still young and free
G G/F#
You're not alone, pick up the phone
C C/B Am D
And talk to me, baby, you will see

[Verse]

C D
Although your heart is in pieces
Em C
You can't find a reason to try
C C/B Am D G
You're not alone, while I'm still standing by
