

**Diamond Shotgun
Chicosci**

Intro: **E**

Verses: **E-B-C#m-B**

E
blow out the candles,

B **C#m**
dust off the knives, we fight
say a prayer for us,

B
they call us The Forgotten

E
we ll cross all their lines

B
we ll be the thorn in their side

C#m
a hail of bullets

B
we stand tall, stand tall

Chorus: **C#m-E-B-E**

C#m
fly black hearts

E
into the sky

B
we re never meant to fall

E
and we ll touch all the lost stars

Repeat Intro: **E**

E
we re ghosts so they say

B
just burn their truths to the ground

C#m

we re marching on and on

B

we re not ones to run away

E

so we hold hands

B

and watch the setting of their sun

C#m

break the silence

B

diamond shotgun

Repeat Intro Half

E

from the top of our lungs

B

no time to waste

C#m

we re gonna shout it out

B

we re gonna shout it out

Chorus

C#m

fly black hearts

E

into the sky

B

we re never meant to fall

A

and we ll touch all the lost
start to see, start to feel

C#m

fly black hearts

E

into the sky

B

we re never meant to fall

E

and we ll touch all the lost stars

E

lock and load baby let s go!

End..
