Verse I

**C**

Will I forever see you

**Am**

Only in dreams

Should I close my eyes just to see

**F**

**G**

You re beautiful

**C**

And I can t wait to sleep

Verse II

**C**

**Am**

We re strangers and I ve never lived

So deep inside my mind

**F**

I ll be a fool for you

**G**

I ll be such a fool for you

Chorus

**C**

With every breath, I wish for you

**Am**

For you to wake that s all I hold onto

**F**

Maybe someday

**G**

**C**

So I close my eyes and pray

Verse III

I dream of her

**Am**

Full of life

**F**

I guess the meds have been doing her right

**G**

She s so beautiful

**C**

And I can t wait to sleep

Verse IV

**C**

But maybe I have something

That something

**Am**

To finally make it go away

**F**

But who am I to say?

**G**

Who am I to stay?

Chorus

**C**

With every breath, I wish for you

**Am**

For you to wake that s all I hold onto

**F**

Maybe someday

**G**

**C**
